

Lost Leader

Welcome to Lost Leader 2020!

You have four aims for this year's Lost Leader

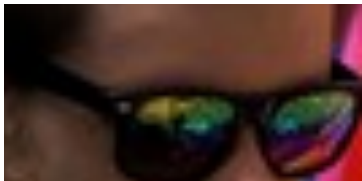

- Name the leader who is dressed up (you might want to use the introduction video to help you)
- Work out what they are dressed up as
- Find the 2 leaders who are dressed up in more than one different costume
- Find the items below and write the person's number (top corner of the slide) in the box underneath

When you are going through the PowerPoint photos will appear one by one getting harder for each person. See if you can work out who it is and what they are as early as possible. At the end of each group of photos there will be an arrow with 'next' written in it to tell you when you have seen all of the photos for that person.

There is an answer sheet to fill in on the next page

Answers will be posted on our website psmbm.org.uk on Monday

HAVE FUN!
